PROFESSIONAL EXPERIENCE

University of Kansas (KU)

Graduate Research Assistant
Graduate Teaching Assistant

01/2025 – Present
08/2024 – 12/2024

Northern University Bangladesh (NUB)

Senior Lecturer (Study Leave)
Lecturer

08/2023 – Present
09/2019 – 07/2023

EDUCATION

University of Kansas (KU)

PhD in Physics (Astronomy Track)
Advisor: Dr. Ian J. M. Crossfield, Associate Professor, KU

08/2024 – Present

University of Chittagong (CU)

M.S. in Physics

01/2018 – 05/2019

Position: 5th (Out of 75)

Advisor: Dr. Md. Rafiqul Islam, Professor, CU

Thesis Title: Study of SMES device and SMES-PCC computer program development for the analysis of superconducting coil design

B.Sc. in Physics

01/2013 – 01/2018

Department of Physics, CU

Position: 4th (Out of 92)

RESEARCH INTERESTS

- Exoplanet Detection
- Transit Photometry
- Planetary Atmospheres
- Biosignatures
- Telescope Mission Design
- Space Radiation and Shielding

Co-Convener Celebration of National Textile Day, NUB	December 4, 2022
Technical Member Journal of Natural Science and Textile Technologies (JNSTT), NUB	2023 – 2024
Technical Member Textile Newsletter (Semesterwise), NUB	01/2020 – 06/2024
Advisor NUB Textile Research and Publications Club, NUB	2021 – 2023
Member Outcome Based Education Curriculum Formulation Central and Departmental Committee, NUB	2022
Member (Documentation) Central Admission Committee, NUB	2022 – 2024
Co-Convener Documentation Committee, Dept. of Textile Engineering, NUB	2021 – 2022
Executive Member Chittagong University Physics Alumni Reunion	2018
Executive Committee Member Celebration of Einstein's 100 Years of General Relativity Chittagong University Physics Society, Dept. of Physics, CU	2015

PROFESSIONAL TRAININGS

Adaptive Optics Summer School

Center for Adaptive Optics (CFAO), UC Santa Cruz, USA

Aug 11–15, 2025

Outcome Based Education (OBE) Curriculum Development

Northern University Bangladesh (NUB), Dhaka

Jan 5–7, 2023

MENTORING

1. Joseph Discavage (2025 to present) (Undergrad, University of Kansas)

Topic: Tools for exoplanet lightcurve fitting and limb darkening coefficients

2. Lasany Arefin Kunja (2022-2023) (M.S., Chungnam National University, South Korea)

Paper: Effectiveness of radiation shields... (AIP Advances)

3. Sabyasachi Roy & Shorna Sarkar (2023) (M. S., University of Dhaka, Bangladesh)

Paper: Comparative Analysis of Natural Polymers... (Materials Research Express)

OUTREACH

Guest Speaker, Astro Quest 2025

Organized by: Chittagong University Scientific Society, University of Chittagong
